

# PLAN YOUR TRIP ITINERARY

If you're here, we hope you're booked, crossing days off the calendar, and thinking about what you need to bring to make this a trip of a lifetime!

Follow along and reference this straight-forward guide, so that when you get here all you have to worry about is where you're going to sit in the boat.

Most of this list you've likely already considered, but do remember in our early (May-June) and late season (Sept-Oct) it can get quite cool on the water. Pack accordingly to suit your needs.

## FLY-IN PACKING RESTRICTIONS

- Note that there is a 50 lb total maximum luggage allowance.
- Please limit individual pieces of luggage to 30 lbs.
- Soft duffel bags are preferable.
